

RESOURCE GUIDE FOR RAISING SOLAR-RELATED COMPLAINTS IN COLORADO¹

¹COSSA has worked with various groups to develop this **Resource Guide for Raising Solar Related Complaints in Colorado** (the "Guide"). It has been developed voluntarily, solely to support the solar community. In so doing, COSSA is neither advising, representing, or otherwise providing legal or any other advice to any party. Parties referring to this Guide (1) shall not rely on or hold COSSA responsible in any way for its contents; and (2) fully release COSSA from any liability or responsibility relating to any matters addressed in this Guide. COSSA neither advocates nor is recommending any course of action relating to matters addressed in this Guide. Parties involved in any matter or dispute are advised to seek individual counsel or legal advice if deemed necessary, in their sole discretion.
